Pay It Forward!

OpenDoorBirdSanctuary.org

We invite you to consider joining the High Flyer League, a group dedicated to the longevity of Open Door Bird Sanctuary, as part of your estate planning. We all strive to create a life well lived with moments and deeds by which to be remembered. Designating funds to help provide a secure future for Open Door Bird Sanctuary and the raptors you love, who all call ODBS home, is a wonderful way to share what is important to you with your loved ones for generations to come.

Planned Giving

My love of Door County is a life-long adventure and my passion for nature and all it holds led me to be part of Open Door Bird Sanctuary from its inception in 2010. Nothing compares to engaging a visitor with a live raptor close at hand. It's especially fun to help kids see what their bird wingspan is and then watch their faces light up as they see that owl or hawk right in front of them! Every time I work an open day and see hundreds of folks experiencing a slice of Door County nature at its finest, I feel so proud to be a founding member.

I have been involved as a board member, donor, and volunteer and am still moved by the excitement, interest, amazement, and dedication expressed by visitors, volunteers, and staff. I am privileged to have come to know so many majestic raptors, some of whom will continue to reside at the sanctuary for many years. One of its many attributes is giving forever homes to raptors that cannot be returned to the wild and would otherwise be euthanized. Instead, they not only educate our visitors but fill them with awe.

My personal connection to nature and sharing my incredible experience with others has been profound. I want to do what I can to make sure ODBS flourishes long after I am gone and that has led me to make the sanctuary part of my estate planning. Joining the High Flyer League is an integral part of how I want to be remembered and helps ensure that many more generations are inspired by ODBS to care for this planet we call home.

~ Rick Burton
