Join ODBS Staff for a personalized private tour of the sanctuary!

Private tours are available all year round. It's a great way to visit ODBS for groups of 1 to 20 people and they make great gifts for anyone that enjoys nature and the outdoors!

A private tour is a behind the scenes visit to ODBS. You'll meet and learn about all the birds at the sanctuary, some of them up close and personal, outside of their aviaries. Next, we'll visit the Bird Care Center, where you'll learn about food preparation and an adult in your group may get the opportunity to assist with food prep, and head back out to feed one of our raptors in its aviary. From there we'll head to the Nature and Education Center, where we have lots of "hands on" learning artifacts, awesome ODBS merchandise, and additional literature on ODBS and Door County. Special for the kids, we have cool educational activity packs for them to take along, inspiring more learning about birds of prey.

Your tour lasts about 1 ½ to 2 hours. The tour fee is $75 for groups up to 4, and $15 per additional person if there are more than 4 in your group. Kids 4 and under are always free!

Tour times are 10am, 1pm and 4pm April-Oct and 10am and 1pm Nov-March. They are daily, except on Raptor Saturdays and need to be scheduled in advance to reserve your date and time.

To schedule your private tour or order a tour gift certificate contact tours@opendoorbirdsanctuary.org or call or text 920-493-2473. We reply as quickly as we can, but try to stick to 8-6pm daily. An evening message may not be returned until the following morning.
